

Product Review: A Gift of Vegan (Milk-Free!) Boxed Chocolates ...

Sjaak's Nuts & Chews (Organic, Vegan, Fair-Trade, Gluten-Free, Egg-Free, Dairy-Free) - Before I even mention how positively delicious these chocolates were (past tense, not a chocolate smudge left), I must comment on the package itself. I love, and I mean love, how Sjaak's put a "what's what" chart on the back. The perfect image told me without a doubt what chocolates we were sampling. For those picky boxed-chocolate eaters, this means no more taking a bite only to discover it is your least favorite flavor. While I love surprises in general, I do like to know what I am getting into with my chocolates ... [Read Full Review](#) / [See All Reviews](#)
