

New, Dairy Free Yogurt is now So Delicious!

Turtle Mountain, those wonderful creators of So Delicious and Purely Decadent dairy-free ice creams, have just released an entire line of dairy-free yogurts. Available in five flavors, the new So Delicious yogurts are made with certified organic ingredients, fortified with Vitamin B12 (vegetarian friendly), formulated for maximum calcium absorption, a good source of Pre- and Probiotics for enhanced intestinal health, cholesterol free, and of course, certified vegan. Keep an eye out at your local Whole Foods, Wild Oats, or other natural food grocers for these new products.

You'll be amazed from the very first spoonful, this amazing creamy yogurt experience with out the dairy!
