

New 'Dairy' Design Added to Allergy Awareness Products

Star Allergy Alerts has just released a new 'dairy' design into their fantastic range of allergy awareness products for kids. The new design, 'I'm allergic to dairy' features their cute cow character, and has extended their already wide range of Badges and Stickers, which includes 'I'm allergic to milk', 'Dairy Free', 'I'm allergic to eggs and dairy', 'I'm allergic to eggs, nuts and dairy'. Star Allergy Alerts product selection is now available in up to 40 different allergy/medical alert designs

...

Star Allergy Alerts range also includes T-shirts (with all designs available on a huge range of clothing at their US Cafepress store!), Allergy/Medical Alert Bracelets, Wristbands, Epipen Pouches, Bibs, Posters and Magnets; with new products being added to the range regularly;
